TIP Jumper Awards:

Please carefully check the eligibility requirements BEFORE THE SHOW on the TIP website: tjctip.com.

Eligibility: Only Thoroughbreds that have been registered with The Jockey Club, or a foreign Thoroughbred stud book recognized by The Jockey Club, are eligible to participate in TIP classes and awards.

ATTENTION: Riders and owners MUST obtain a TIP number for all horse/rider combinations. TIP number applications can be completed online at www.tjctip.com.

TIP numbers must be provided to the horse show management the morning of the show.

Event Horse Flat: Under-saddle class will be dressage-based, will canter from trot.

The Gamblers' Choice class has each jump on course with an assigned point value and may be jumped a maximum of two (2) times. If a jump falls, the points for that jump do not count and it may not be jumped a second time. Should a refusal occur, no penalty is incurred. At the end of 45 seconds, a tone will sound. If the horse has left the ground when the tone sounds, that jump will count provided it remains up. The rider then must cross the timer. At this time the Joker fence may be attempted once.

It is worth 100 points, but if the rail falls, 100 points will be deducted from the total. Offered at 2'6" with one higher option gamble fence.

The Kentucky Performance Products Masterson Hunter Classic 2'6" is judged on performance, hunter pace, jumping style, quality, substance and movement.
